

Welcome to 3K/4K!

Carolina School for Inquiry

Dear Families,

Welcome to 3K/4K at Carolina School for Inquiry! I am thrilled to be your child's teacher, and I know this will be an exciting year! A quick introduction; my name is Porsche Knight. I graduated magna cum laude from the University of South Carolina with a Bachelors in Early Childhood Education. I have worked with young children and families for the past 11 years, having taught infants through four year olds, and am eager to work together with you and your child.

I have many exciting things planned for this year! It is my responsibility and privilege to encourage each of my students to be inquisitive and develop a love for learning and reading. For your child's journey to be successful, it is essential for us to partner together so I can better recognize each child's unique individuality. Through this partnership with students and families, I am able to create a classroom environment that will recognize and respect each child. I invite you to play an active role in your child's education by communicating each day about their learning, reading together every night, and always being open to speaking with me.

If at any time you have a question, I am very happy to talk with you. Either, write me a note, give me a call, or email me and I will respond as soon as possible. I want you to feel well informed throughout the year. Each day your child will bring home his/her Daily Folder. Your child's Daily Folder will contain his/her work for the day, notes, and sometimes homework. Please check your child's backpack daily for important letters and notes. You may also check our class website to find more information.

Thanks in advance for partnering with me this year!

Sincerely,
Mrs. Knight
